

ELECTRICAL SIREN

Model : SR-1KM

Features:

- A.C. & Battery operated motorised siren.
- Usefull for factories, Societies, Big Building.
- Different types of mounting facility.
- Best uses in Sound polluted areas
- Available in electrical operation

Technical Specification:

Range	:	1.0 K.M.
RPM	:	6000
Motor HP Rating	:	1/4
Watt	:	150
Weight	:	2.200 KG (Un-Packed)
Winding	:	Copper Wire
Body Material	:	Aluminium Coating
Colour	:	On Demand
Fittment	:	Horizontal
Mounting	:	Single Ended
Power supply	:	220V / 50Hz
Sound O/P	:	100dB (Upto 3 feet)
